To our valued customer:

In your hands you hold enough information to prove that we offer the best A/C and heating services for your company, home or business.

However, if after reading our new customer information booklet you have any doubt of our services, please feel free to contact our office for more details.

We propose two very important things that will differentiate our services from any other company:

First of all we will give your home or business the respect they deserve. With out a doubt you deserve the best treatment for you and those whom surround your everyday.

Nevertheless we offer guarantee to our services. We complete our services and leave you with 100% satisfaction, unlike other a/c installers. No other company can compete with the quality and knowledge of the A/C and heating industry like Cool Component.

We invite you to continue reading and learning about our wonderful company, which will bring you the information needed to come to the conclusion that we are the best for your home or business.

Sincerely

[Signature]

ERNESTO GOMEZ
President
Cool HTG & A/C INC.
COMPONENT

Mission Statement

- Service contract customers; we pledge our dedicated staff, quality products (customer specifications) and little to no quality of life interruption.

- Our service is guaranteed and we strive to achieve

- We offer completely free estimates for businesses or homes, no hidden fees or tricks in our service.

- We give a clear and easy to understand proposal document that explains with details of our service requested on your behalf.

- The proposal document will be sent to you at which ever form preferred by the customer whether it is by fax, e-mail, or mailed directly to your home or business.

- When our service is completed customers will be given an invoice with the price that matches the amount in the proposal document.

- We give customers the option of paying by cash, personal or business checks, and all major credit cards are accepted. Financing is also available.

- With our very own certified engineer we determine what type, size and brand is best for you.

- We only use products that we have personally studied and confirmed for ourselves that it is a product that both our company and you can trust.
The Advantages to choose the right company

- Since we are the best A/C installers in all of South Texas we offer a limited 1 yr labor warranty for all new installations completed by Cool Component.

- With our featured products each one serves a 5 year warranty on all 13 units' a 10 year extended warranty on all part and compressors.

- We give each customer an opportunity to see if they qualify for a chance to finance their brand new complete A/C system.

- Every customer is going to be offered a plan so that no one is left out of having an A/C system.

- When it comes to our services we give ultimate freedom to our customers to make the decision to choose what is best for them, unlike other companies that want to give you what is best for them.

- We have installed complete A/C systems all over Texas. We have traveled to many large cities like Austin, Dallas, Houston and El Paso to install commercial and residential systems.

- We are company that will help you, and every phone call will be answered personally with out having to go through an operated phone system.
Products We Trust

RUUD
Many homes and businesses choose Rudd because of their affordable prices. We support Rudd for their incredible rate of making their customers happy.

Carrier
Carrier is a very well known company that will do everything to keep our customers happy. We can trust on Carrier to get the job done, weather it is heating or A/C products.

American Standard
American Standard you can always give you the comfort you are looking for. This is an all American product is affordable for everyone. American Standards gives you the GUARANTEE that they are the #1 distributor.

Goodman
Goodman is a company trusted by many people. Large business and residential homes trust their products and depend on their services.

Amana
Amana Heating A/C offers a variety of products that help customers afford their complete A/C systems. A lot of companies can not compete with their incredibly low prices.

Comfortmaker
Comfortmaker is one of the most asked for products in the nation. With Comfortmaker in you home or business you can guarantee that your family or your employees will feel Very pleased with What you have offered them.

All EPA Administered States, Tribes, and Territories

This certification is valid from the date of issuance and expires June 22, 2020

Michelle Price, Chief
Lead, Heavy Metals, and Inorganics Branch

Certification #: NAT-49313-2
Issued On: November 05, 2014
In accordance with the Memorandum of Agreement between the
South Central Texas Regional Certification Agency (SCTRCA)
and the Texas Comptroller of Public Accounts (CPA), the CPA hereby certifies that

COOL COMPONENT HTG & A/C

has successfully met the established requirements of the
Statewide Historically Underutilized Business (HUB) Program
to be recognized as a HUB.

This certificate, printed 18-JUL-2012, supersedes any registration and certificate previously issued by the HUB Program. If there are any changes regarding the information (i.e., business structure, ownership, day-to-day management, operational control, addresses, phone and fax numbers or authorized signatures) provided in the submission of the business’ application for registration/certification into the SCTRCA’s program, you must immediately (within 30 days of such changes) notify the SCTRCA’s program in writing. The CPA reserves the right to conduct a compliance review at any time to confirm HUB eligibility. HUB certification may be suspended or revoked upon findings of ineligibility. If your firm ceases to remain certified in the SCTRCA’s program, you must apply and become certified through the State of Texas HUB program to maintain your HUB certification.

Certificate/VID Number: 1204215625200
File/Vendor Number: 476761
Approval Date: 04-JUN-2012
Expiration Date: 15-JUN-2014

Paul A. Gibson
Statewide HUB Program Manager
Texas Comptroller of Public Accounts
Texas Procurement and Support Services Division

Note: In order for State agencies and institutions of higher education (universities) to be credited for utilizing this business as a HUB, they must award payment under the Certificate/VID Number identified above. Agencies and universities are encouraged to validate HUB certification prior to issuing a notice of award by accessing the Internet (http://www.window.state.tx.us/procurement/cmb/hubonly.html) or by contacting the HUB Program at (888) 863-5881 or (512) 463-5872.
The Texas Comptroller of Public Accounts (CPA) administers the Statewide Historically Underutilized Business (HUB) Program for the State of Texas, which includes certifying minority- and woman-owned businesses as HUBs and is designed to facilitate the participation of minority- and woman-owned businesses in state agency procurement opportunities. The CPA has established Memorandums of Agreement with other organizations that certify minority- and women-owned businesses that meet certification standards as defined by the CPA. The agreements allow for Texas-based minority- and women-owned businesses that are certified with one of our certification partners to become HUB certified through one convenient application process.

In accordance with the Memorandum of Agreement the CPA has established with the Southwest Minority Supplier Development Council (SMSDC), we are pleased to inform you that your company is now certified as a HUB. Your company’s profile is listed in the State of Texas HUB Directory and may be viewed online at http://www.window.state.tx.us/procurement/cmbi/hubonly.html. Provided that your company continues to remain certified with the SMSDC, and they determine that your company continues to meet HUB eligibility requirements, the attached HUB certificate is valid for the time period specified.

You must notify the SMSDC in writing of any changes affecting your company’s compliance with the HUB eligibility requirements, including changes in ownership, day-to-day management, control and/or principal place of business. Note: Any changes made to your company’s information may require the SMSDC and/or the HUB Program to re-evaluate your company’s eligibility. Failure to remain certified with the SMSDC, and/or failure to notify them of any changes affecting your company’s compliance with HUB eligibility requirements, may result in the revocation of your company’s certification.

Please reference the enclosed pamphlet for additional resources, such as the state’s Centralized Master Bidders List (CMBL), that can increase your chance of doing business with the state.

Thank you for your participation in the HUB Program! If you have any questions, you may contact a HUB Program representative at (512) 463-5872 or toll-free in Texas at (888) 863-5881.

Texas Historically Underutilized Business (HUB) Certificate

Certificate/VIN Number: 1204215625200
File/Vendor Number: 476761
Approval Date: 04-JUN-2012
Scheduled Expiration Date: 30-JUN-2014

In accordance with the Memorandum of Agreement between the Southwest Minority Supplier Development Council (SMSDC) and the Texas Comptroller of Public Accounts (CPA), the CPA hereby certifies that

COOL COMPONENT HTG & A/C

has successfully met the established requirements of the State of Texas Historically Underutilized Business (HUB) Program to be recognized as a HUB. This certificate, printed 08-MAY-2013, supersedes any registration and certificate previously issued by the HUB Program. If there are any changes regarding the information (i.e., business structure, ownership, day-to-day management, operational control, addresses, phone and fax numbers or authorized signatures) provided in the submission of the business’ application for registration/certification into the SMSDC’s program, you must immediately (within 30 days of such changes) notify the SMSDC’s program in writing. The CPA reserves the right to conduct a compliance review at any time to confirm HUB eligibility. HUB certification may be suspended or revoked upon findings of ineligibility. If your firm ceases to remain certified in the SMSDC’s program, you must apply and become certified through the State of Texas HUB program to maintain your HUB certification.
